About Vidyawadi

Located in the most picturesque and peaceful part of western Rajasthan, Vidyawadi is a premier educational residential institution for girls.

We proved ourselves as a Centre of Excellence in developing global competencies through knowledge creation and dissemination, character building, and social commitment.

We aspire to shape a better future for mankind by developing effective and socially responsible individuals and organizations. We focus on the all-around development of our students.

We aim at producing not only good students but also good and worthy citizens of a great country, aiding in its overall progress and development.

It endeavors to treat every student as an individual, to recognize their potential, and to ensure that they receive the best preparation and training for achieving their career ambitions and life goals.

This academic endeavor will be supported by relevant co-curricular and extra-curricular activities inculcating life skills, values, and social accountability enabling learners to make meaningful contributions globally.

About FDP

The purpose of education is knowledge of values, not to deliver facts. Good teachers know how to bring out the best in their students, how to train their minds to right think and enable them to live happily.

To enrich our teaching fertility and to orient them to bridge the gap between theory and practical knowledge the LDPS Kanya Mahavidyalaya is taking initiation to conduct Faculty Development Program from 18-20 July 2018

About LDPS Girls' College

LDPS Girls' College since its inception has been striving hard to extend quality education to women, especially in rural areas. From 1996 onwards the college is making rigorous efforts and is successfully progressing in this direction. Presently

it is rendering higher education in four faculties – Faculty of Arts, Commerce, Education, and Science.

LDPS Girls' College not only focuses on the theoretical curriculum but also helps in the development of a student's personality, extra-curricular activities, and overall grooming.

Highly trained faculty members, a rich library, smart classrooms, advanced teaching pedagogy, and the liberty to think and express themselves are the unique features of the college that make us the best in our region.
