# About LDPS Kanya Mahavidyalaya

: LDPS Girls' College since its inception has been striving hard to extend quality education to women, especially in rural areas. From 1996 onwards the college is making rigorous efforts and is successfully progressing in this direction. Presently it is rendering higher education in four faculties – Faculty of Arts, Commerce, Education, and Science.

LDPS Girls' College not only focuses on the theoretical curriculum but also helps in the development of a student's personality, extra-curricular activities, and overall grooming. Highly trained faculty members, a rich library, smart classrooms, advanced teaching pedagogy, liberty to think and express themselves are the unique features of the college that make us the best in our region.

## About FDP

The purpose of education is knowledge of values, not to deliver facts.

Good teachers know how to bring out the best in their students, train their minds to think rightfully, and enable them to live happily.

The growth and development of people is the highest calling of leadership.
