About Vidyawadi

Located in the most picturesque and peaceful part of western Rajasthan, Vidyawadi is a premier educational residential institution for girls. We proved ourselves as a Centre of Excellence in developing global competencies through knowledge creation and dissemination, character building and social commitment.

We aspire to shape a better future for mankind by developing effective and socially responsible individuals and organizations. We focus on the all-round development of our students.

We aim at producing not only good students, but also good and worthy citizens of a great country, aiding in its overall progress and development. It endeavors to treat every student as an individual, to recognize their potential and to ensure that they receive the best preparation and training for achieving their career ambitions and life goals.

This academic endeavor is supported by relevant co-curricular and extra-curricular activities inculcating life-skills, values and social accountability enabling learners make meaningful contribution globally.

About LDPS Kanya Mahavidyalaya

LDPS Girls' College since its inception has been striving hard to extend quality education to the women, especially in the rural areas. From 1996 onwards the college is making rigorous efforts and is successfully progressing in this direction. Presently

it is rendering higher education in four faculties – Faculty of Arts, Commerce, Education and Science. We are offering PG and UG courses along with 4 years BSc. B.Ed and BA B.Ed integrated programs. LDPS Girls' College not only focuses on the theoretical curriculum, but also helps in the development of a student's personality, extra-curricular activities and overall grooming.

A highly trained faculty members, rich library, smart classrooms, advance teaching pedagogy, liberty to think and express themselves are the unique features of the college which make us the best in our region.

About the Workshop

IPR plays an important role in the Economic Growth and in today's modern world, Information Technology (IT) and Communication are some of the most innovative, dynamic and highly advanced segments that drive economic growth. IPR thus plays an important role in value creation in these technologically advanced segments thereby fostering innovation.

Leela Devi Parasmal Sancheti Kanya Mahavidyalaya proudly announces a One day interactive workshop on *'Understanding the Importance of IPR with a focus on IPR Issues in Information Technology (IT) and Communication to be conducted on September 27, 2022.* The workshop will feature keynote talks and lectures by leading IPR Experts in the areas of IT and Communication.
